

Help us to keep Harry Edwards' wonderful legacy of healing for generations to come

who we are:

The Sanctuary is a registered spiritual healing charity dedicated to helping those suffering from all kinds of problems, including stress, illness and disability

what we do:

The Sanctuary provides contact and distant healing for people and animals. Spiritual healing involves the process of channeling energy through a healer to a patient.

This simple energy therapy can aid the restoration of balance to mind, body and spirit, and stimulate the body's own natural healing abilities. It is available to everyone regardless of faith or belief and is complementary to all forms of conventional treatment.

The Sanctuary also has an in-house Cancer Support Centre, Bluebells, and offers 'Time for You' Carers' support groups. Other services include retreats, workshops, and healer training through the Harry Edwards Healing College.

Around 30,000 people seek our help each year

We received 12,000 distant healing requests by telephone in 2011 alone

In helping us, you are helping our patients and visitors:

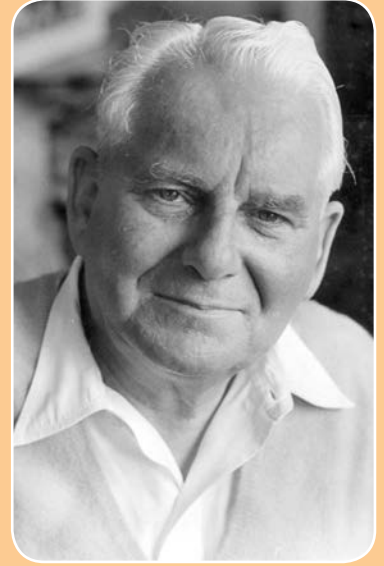

"The Sanctuary is my lifeline"

"A wonderful place to receive healing or just to walk through the gardens"

"You have made such a difference to how I have felt today"

our unique legacy:

Harry Edwards was already a world famous spiritual healer by the time he founded his healing sanctuary in 1946 at Burrows Lea, in the heart of rural Surrey. He enhanced the lives of countless thousands of people and raised public awareness of spiritual healing. The Sanctuary's charitable status was established in 1966.

Millions of people world-wide have received benefit over the years from the healing help given freely by the Harry Edwards Healing Sanctuary. No charges are made for healing; in this and every other respect we continue the tradition established by our founder.

why we need your help:

Your fundraising efforts will help us in a variety of vital ways:

- To maintain our distant healing service, carried out by our small administration team. Every request receives a reply, whether via telephone, email or post.
- To maintain the country house and 30 acres of grounds, which are part of the heritage and history of Harry Edwards and healing in the UK. In maintaining our environment we continue to enhance the unique healing experience of the Sanctuary.
- To cover administration costs and funding of our full range of services including our Cancer and Carer support groups, and Positive Health Programmes.
- To help fund our spiritual healing research and study programmes.

THANK YOU FOR HELPING US!
